Alphabet Banner Instructions:

Print Templates out and cut out desired letters

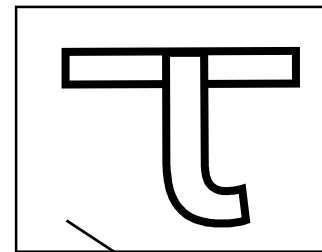

Trace cut templates onto patterned paper or cardstock as desired

Attach letters together with brads, or punch holes and tie with thread or ribbon.

Alternate Assembly:

Print templates onto colored or patterned paper and cut out as desired.
To print with outline NOT showing on patterned paper: print letters out on the “mirror” setting and then print template on wrong side of patterned paper.

Alternate Assembly Example:

Back side of paper.

Print letter “mirrored” so it’s backward
Cut out letter
Turn over
No outline on front side of paper!
